- 0.5 mi walk to rink over foot bridge, 0.2 mi to center of town

285 Riverside Ave, Winthrop - www.hotelriovista.com - 509.996.3535

Just steps away from the western saloons and aromatic bakeries of downtown Winthrop, the Hotel Rio Vista's rustic façade blends seamlessly with the town's old-time western atmosphere. Overlooking the confluence of the Chewuch and Methow rivers, the hotel features guest rooms that offer private balconies, hand-crafted wood furniture, and works by local artists. A flat-screen HD television and free wireless internet access keep guests connected, while an outdoor picnic area and riverside hot tub offer the chance to unplug within earshot of the mellifluous sounds of nature and the soaring wings of Eagles and Osprey.

Perfect for hockey players and parents, the hotel is just across the pedestrian bridge from the ice rink and start of the Methow Valley's immaculately groomed ski, snowshoe, and fat biking trails. The hotel features a Bike and Ski Wax room just for such outdoor activities. Stop by the coffee bar to grab a cup of Seattle's Best coffee to have on your walk to your early morning game.

920 WA-20, Winthrop, 509.996.2525

Less than a minute drive south of the rink you will find Evergreen IGA, Winthrop's grocery store. Don't be fooled, this is not your average small town grocery store. Whether it is the deli with made-to-order sandwiches or the largest beer selection in Okanogan County, Evergreen IGA has just about every grocery item you could possibly want during your stay in Winthrop.

Evergreen IGA has been locally owned for over 50 years and is a favorite of locals and visitors alike. Evergreen's proximity to the rink allows for easy access for breakfast, lunch, items for dinner or just a quick snack in between hockey games. Need ice for your cooler or fire for your campfire? Don't worry, they have got you covered. Enjoy your shopping experience when you visit Evergreen IGA in Winthrop.

Bear Creek Lumber is a family owned and operated lumber yard located in the beautiful Methow Valley. Some of their top offerings include Western Red Cedar, Alaskan Yellow Cedar, Port Orford Cedar, Douglas Fir, Redwood, Ponderosa Pine, Hemlock, Spruce, Ipe and Teak. Along with a unique inventory, they have an extensive mill network that allows us to source high value materials in various sizes, grades, quantities and lengths.

Though the majority of their business is within the United States and Canada, they do have the ability to export lumber packages to job sites worldwide. When shipping out lumber they use tried and true methods to package and secure lumber units so that your materials arrive on site in the same shape they left our facility.
